

# AGRI-KLEEN 360

CHLORINATED ALKALINE  
FOAMING DEGREASER

# AGRI-KLEEN 360

## CHLORINATED ALKALINE FOAMING DEGREASER

**AGRI-KLEEN 360** is formulated for food processing, industrial applications, restaurants, hospitals, farms, and other areas where food is handled or prepared. AGRI-KLEEN 360 is an alkaline and chlorinated degreaser for the food industry. It produces a rich, abundant foam that clings to surfaces, ensuring excellent cleaning. It is very effective in removing grease and protein deposits from surfaces.

### BENEFITS :

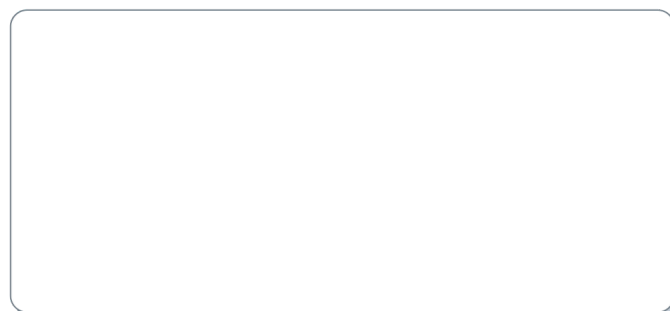

- Highly effective product
- Safe on all metals and concrete
- Contains chlorine in the form of sodium hypochlorite
- Moderate alkalinity
- High foaming
- Solvent-free

### PRODUCT FORMATS:
