## Double Action

Laundry Detergent & Sanitizer  
Powder

# Double Action

## Laundry Detergent & Sanitizer Powder

This powder laundry detergent cleans and sanitizes. It contains a bleaching and sanitizing agent when organic chlorine comes into contact with water, in combination with a surfactant. The oxidizing molecules are activated and penetrate dirt and attack bacteria, resulting in optimal sanitization. In addition, organic chlorine is gentle on fabrics to extend their useful life.

### **BENEFITS :**

- Ideal for teat cleaning wipes
- Softens the fabrics for better udder comfort.
- The use of Double Action detergent ensures high-level cleaning, while sanitizing fabrics.
- Towels can be used damp 6 hours after spinning following washing, saving electricity from the dryer.
- Whitening, deodorizing and disinfecting

### **PRODUCT FORMAT:**

- 104308-920 : 20 KG
