# HOOF PRO-GREEN

## ARE YOU LOOKING FOR AN EFFECTIVE FOOTBATH THAT'S GOOD FOR YOUR COWS, YOU, AND THE ENVIRONMENT?

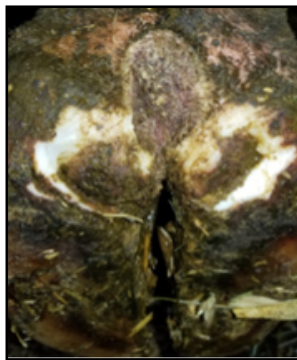

Liberchem is taking up the challenge by offering you a foot bath, composed of a formula based on essential oils, a bactericide and a natural fungicide without using formaldehyde and copper sulfate.

### BENEFITS :

- Non-toxic, non-corrosive, safe handling for the environment and for the user.
- Contains complex broad-spectrum fungicides and bactericides.
- Effective against spirochete bacteria which are one of the causes of digital dermatitis.
- Prevents contagion and spread in your herd.
- Fights infections and helps wounds heal.
- Use alternately with STEP-2 to kill resistant bacteria and maintain control.
- Eliminates hazardous materials and metals in fields and the environment.

BEFORE  
TREATMENT

AFTER 4 WEEKS OF  
USING HOOF PRO  
GREEN
