

LIBERCHEM

IODEX BRITE

Concentrated liquid detergent and stain remover to eliminate iodine stains.

IODEX BRITE

Concentrated liquid detergent and stain remover to eliminate iodine stains.

IODEX BRITE has been specially formulated for washing fabrics with iodine stains. It removes iodine stains and leaves fabrics clean. The addition of emollients leaves fabrics soft on the skin.

It is also an effective detergent in hard water conditions. It helps prevent fabrics from graying by suspending dirt. Furthermore, it makes whites whiter and colors more vibrant. It is safe for all fabrics.

BENEFITS :

- Free from nonylphenol and phosphates
- Efficient and economical
- Chlorine-free, it is gentle on all fabrics
- Prevents graying and color change.
- deodorizes

PRODUCT FORMAT

- 2X10 L. = 105135-326
- 4X4 L. = 105135-204
- 20L. = 105135-336
